I had the pleasure of knowing Helen through my mother, Jerry Chasteen. They were friends for a long time, although they didn't get to see each other very often. Helen was a joy to be around and a true friend. I know you and Mom are having a joyful reunion in Heaven.

Miss Helen was a facebook friend to many of us & that's how I met her. She was full of spunk & didn't let technology intimidate her one bit. There's a whole lot of us that Loved her & her Spirit & I can't tell you how I, for one, will miss her. Rest In Peace Miss Helen. I know Heaven welcomed you with open arms. XXOOXX forever.

Beautiful picture of our Aunt Helen. She was always fun to visit with in Henderson as Tara and I traveled thru Texas to Abilene. She shared her wonderful memories of growing up with Sara in Quincy. When talking with her it was almost like I was with my mom. So many similarities. She will be missed by Tara and I. As she has said many times in recent facebook posts, "God is good". Your in good hand now Aunt Helen!!
May God comfort all that grieve for Ms. Helen.
