“ I'm so sorry to hear of Mr.Whitehead's passing...he was a very kind-hearted man and his wife also. I have very fond memories of him and Mary Jo taking me to numerous Dr. appointments and also the help he and his wife gave my Mother before she passed...they would visit her often.

“ What a joy to know Al Whitehead! He was my Microbiology instructor at MS Baptist Medical Center in the seventies before we became coworkers and friends, along with Mary Jo, in the following years. He was an intelligent, positive, caring Christian gentleman with many attributes including extensive scientific knowledge, master gardening, skillful cooking, and much savvy with the written word. This is a sad loss of another special member of "The Greatest Generation", and I was truly blessed to have known him. Mary Jo, my prayers and heartfelt sympathy are with you and the family. May God hold you close.
Love . . . Donnie

“ I find It unusual to make a good friend later in life. Al graduated with my parents, was a pallbearer at Mother's funeral when he was 90, and was member of Master Gardeners with me. I learned so much from a man who was interested in everything. We shared Zion Hill, Minden, and surrounding area memories and facts together. When we visited at his house, Mary Jo would quietly disappear knowing we would chatter and change subjects at will. I am thinking about you, Mary Jo, and know the feelings Al had for you.
