Billie Arlyne Bristow Harrison, "Arlyne," 68, of Dallas, entered heaven on Wednesday, Feb. 23, 2011, at Grace Presbyterian Village, Dallas, surrounded by her loving family. Arlyne was a devoted Christian, a daughter, wife, mother and grandmother who showered her love on her family and friends. She had a deep love for everyone, and truly believed that every person had worth. She lived out this belief in her actions, and consistently invested herself in serving others, as the Lord has charged us to do. A member of First Baptist Church, Cedar Hill, she was active in many of its ministries, particularly the senior activities, and was also a faithful member of the worship choir. She loved the little ones, and always enjoyed serving in the church nursery. For 25 years she was a health care administrator at Baylor University Medical Center in Dallas. She retired from the Parkland Memorial Hospital. Even though her illness intensified while a resident at Grace, Arlyne continued to bless and encourage the staff members and other residents with her warm, sincere greetings of friendship, songs of worship and dance. Her deep love for others broke through like a ray of sunshine. To all who knew her at Grace, she was affectionately known as "Miss Arlyne." She was not only the life of the party; she also made sure there was a party! Visitation will be from 9 a.m. to service time at Crawford-A. Crim Funeral Home.
