“ Mrs.Fletcher,or the name I've always known her by, Joni's mom, was a kind and loving wife, mother, grandmother, and friend. One year Joni, myself and another friend traveled to New York with our mothers. Joni's mom was the best sport and most easy going of all of us. She was always pleasant, happy, and filled with joy. Remembering her on this trip has always put a smile on my face and joy in my heart which speaks volumes of who she was and the life she lived.

Your friend,  
Charlie
