“ Reta, my dear, loving sister, you will be so missed by our family. You've been a wonderful big sister to me all my life & always have made me feel special. You have always been so very thoughtful & loving to me, Arnold, Doris, our parents & all our children. Even though you always lived so far away from us all, you never missed a birthday, a new baby, anniversary or anything that was occurring in our family. I'm so sorry it's been a while since we saw each other, but I have so many special memories in my heart that I will treasure forever. Steve, I know you will miss Reta also, since you two have always been so very close. You've been the best son to her that a Mother could have & she depended on you, especially in these last few years for everything. Thank you from the bottom of my heart for being there for her & for being such a good son. We submit her now into the loving arms of God & we know we'll see her again one day in Heaven.

Your Loving Baby Sister,
Barbara Powell
