

## Mrs. Colleen R. Renfro Wilson

July 26, 1928 - August 7, 2016

Colleen Ruth Renfro Wilson passed away peacefully on August 7, 2016, in Highland, Utah, while being comforted by her adoring daughter Vicky Wilson and surrogate daughter, Janea Johnson. Colleen was born on July, 26, 1928, in Cromwell, Oklahoma. The second of five children born to Gayle Worley and Myrtle Modene Renfro. Colleen will be remembered for living a unique and adventurous life, filled with travel and culture. She had an incredible love and passion for writing, especially regarding her beloved years in Saudi Arabia and all things camel. She was one of the many beautiful members of the Kilgore Rangerettes, and proudly honored those days by bragging about her stunning high kick. She loved her family and friends and “two lovely children which were a pleasure and delight”. She had a way with words, made everyone laugh with her amazing wit, and comforted our souls and filled our bellies with her great cooking. Mom we will miss you asking us to “save that,” to “wait a minute,” and inquiring about the location of your purse. We will miss your contagious laughter, endearing sweet smile, but most of all, we will simply miss your company. FiAmanAllah (In God’s care and protection).

Graveside services for Mrs. Wilson will be held at 11 am on Saturday, August 13, 2016 at Lakewood Memorial Park. Interment will follow under the direction of Crawford-A. Crim Funeral Home.

“ We were fortunate to be neighbors of Colleen and Oran twice in Saudi Arabia. The first was when we first arrived in 1981. We were living in the teachers' trailers. They welcomed us warmly and we enjoyed their company in Udhailiyah. When we learned the exciting news that the new town homes were built, we chose our location. Unbeknownst to us, it was right next door to the Wilsons once again! We had many good laughs together. When we returned after our second assignment in Abqaiq, we were able to visit them in Richardson, TX. Though not in the best health at the time, they welcomed us warmly for a visit. Colleen shared her unique memoirs of Saudi which she had published. Unfortunately, we lost track of them when they moved to Utah. We will cherish their memory and our time together.
