“ My deepest sympathy to each member of the Turlington family . I am so sorry you have to go through this pain of losing a loved one so dear to your hearts . He was such a humorous and kind man. The second time I ever met him he said “ Hi Jennifer “ His wife Maryann said “Her name’s not Jennifer “ “It’s Theresa !” He replied Well She looks like a Jennifer to me ! So I was Jennifer from then on . He never forgot to call me on my Birthday and leave a singing message of “Happy Birthday! “ in that deep voice of his . Well Big Glenn as I called him , we sure will miss you and you know you left a loving impression on all your grandkids , Dillion , Dalton , Mckenzie and Melia that grew up with you just down the dirt road . Love , Jennifer

“ Uncle Glen has helped me many times over the years. He helped us bury my Dad, his brother Billy when we had no burial insurance.. it was a very difficult time ..and he didn't hesitate to offer his help. This was the kind of man he was...always willing to help others..for this I will forever be grateful ..we haven't spoken in awhile..but that didn't stop me from loving him..fly high with the Angels Uncle Glen..I love you ~Ronda
