“ I remember our trips to Fry's, more than anything...and how excited he would get about the deals they had...and, to this day, every time I go to a Fry's, I think of him. It made me happy just to be around Mike. He was a joyful man, with a good soul, and a very loving father.

“ Michaëlle and Girls,
What a blessing Michael was to all who knew him! He will be missed by so many people. I have such great memories of our downtown visits in the shop, when we would reminisce about the way Henderson used to be. Michael will not be forgotten, and those he touched will always have memories of a great friend, a kind and loving man who made the world a better place. God bless you and comfort you at this very sad time.

“ Mike was my boss at Revco many years ago and he actually let me cut his hair was I was attending beauty school in the back room of Revco. He had followed me since to every place I worked along with his beautiful family . I had the pleasure of giving his beautiful daughters their first haircuts! Still remember that day! Michelle and Mike made sure I had pictures of me and the girls . How special that whole family is to me. I was very sad to hear about Mike's passing but know how he trusted The Lord. He has always been a strong man with a loving heart and loved The Lord and his Family.. Thank you for allowing me to be a special part of your lives! Linda Neibert Brooks

“ I had the pleasure of working at HMH with Michael and Michelle and also had them as neighbors. From carpooling the girls to school, to graduations, weddings, etc. Mike was a great person and I will always have fond memories. I still smile about the time my dog got his head stuck between gate and fence. I tried everything I could think of to free him, including applying Crisco to his head in an effort to get it to slide out. Michael came in his patrol car and promptly freed the dog, leaving with Crisco and dog hair covered hands! Just a great person and I feel privileged to have known him.
