“ I came upon a brochure with Harold's picture in it not too long ago, it was a brochure of a baseball team in the Brazosport area that my Daddy had to coach, the American Legion Skippers. I think the guys on the team were probably in their high school years.. About 10 or so years ago I was at the post office in Turnertown and she told me who he was as he rode up on his bicycle (his daily exercise). We spoke for a good time reminiscing about Lake Jackson where we both had grown up. I ran into him several more times throughout the course of the years and he was always ready with a smile and a good story to tell. I know you, his family will miss him and I offer my condolences to you during your hour of grief.
