“ One of my earliest memories is of Uncle Jimmy throwing me up in the air and catching me in his home on Avenger Village. I was about 3. He was about 25 at the time.

When I was young, Uncle Jimmy and Uncle Randy took me dove hunting for the first time in my life near Four Oaks.

Uncle Randy loaned me a bolt action .410 and provided me with some shells.

I don't know if Uncle Jimmy or Randy remember doing this, but I do remember.

Fast forward about 10 years, I was able to come and spend a couple of weeks during the summer of 1984 with Jimmy and Margie in Sweetwater, Tx.

I consider these couple of weeks to be the happiest time of my life.

I was so very happy spending time with my cousins.

Margie ran the house and Uncle Jimmy was bringing home the bacon.

I am grateful to both of them for putting up with me that summer.

Thank you, Uncle Jimmy for working so hard and allowing me to come and share your home. You don't know it, but you facilitated the best time of my life.
