“ Bruce I am so sorry to hear about your dad. If there is anything you need give me a call.

“ I met your Dad in 2008 when we were just starting out doing taxes and will never forget the battles he had with his computer. Roger was a very sweet and caring person. I was impressed by how devoted he was to your Grandmother and will always remember the story he told of taking her up north to go fishing while she still could manage the trip. He reminded me very much of my uncle who also was a loan officer. My uncle worked at Tyler Bank and Trust, later known as Republic Bank, and we used to joke that they probably saw each other through the windows across North Broadway. Your Dad loved you both so much. He used to brag on you all the time and say how proud he was of you two. He loved his grandchildren too and told me all about them. Know that he loved you very much and you were always in his thoughts. I will miss my friend but am glad I got to know him even if it was for a short while. He will be forever in my thoughts.

“ I am deeply sorry for your loss. Roger was my second dad....lol . Him and my dad together was entertainment at its finest. I will always remember the fun times we all had together in the woods in the fall hunting deer and telling stories. I only hope that my father and Roger don't cause to much problems for the man upstairs. I love all of the Jackson family without you all my life would have been incomplete. I love you all.
