“ Teresa was a second mom to me growing up- I spent a lot of time with her family in her home and was always loved and welcomed. She celebrated each event of my life with me- friends like that who carry through your years are rare. I will miss her, but thanks to Jesus I know I'll be with her in heaven one day! My love to her dear family... Erin Whittemore Browning

“ We had the privilege of knowing Teresa for over 35 years. We were in church with the Clark family in California. Our family loved her very much. She had a great sense of humor and was not afraid to let someone know what she thought. She was a kind and loving person and a Godly woman who was very faithful. We must her very much. We pray that God will comfort Steve and the family.

“ I am so sorry to learn of Teresa's passing. I so enjoyed her quick witt and dry sense of humor. She was always fun to be with. Although I did not know her for long I have fond memories of being with her at church activities and church functions. It was always a pleasure to be in her presence. Deepest sympathy, Mary Whaley

“ Melissa and family I am one of your mother's cousin, Janice. I am so sorry about your mother from what I can remember she was a very sweet person. May you be comforted by the many warm thoughts of those people that come by, call, or make a phone call. Just remember God is still there and is your comforter during this time. My prayers are with you all during this time. Janice Smith Fain

“ So sorry to hear of Teresa's passing. All though we didn't see each other often, I loved and respected her for the way she cared about family, especially her parents. The times she would go to California to stay with her dad, spoke a lot about her character. She will be missed by many. May God be with each of you. Glenn Eubanks, cousin
