“ *Mr. Strickland was my bus driver when I started kindergarten at West Rusk on the the gaston campus in fall of 1980. Always had a smile and encouraging word for each kid. I've thought of him many times as my own kids form relationships with their bus drivers over the years. Some may say all he did was drive the bus, but to me he was as great a part of my education time as my teachers. Thank you for sharing him with us kids!*

“ So sorry to hear of Uncle AB's passing. He had such a "laid back" personality and was a good man. I will never forget how much he helped my dad, Virgil Strickland, in his later years. Every week he bought groceries for him and he did the same for Grandma before she passed away. I never heard him complain or ask for anything in return. He will be missed. Thoughts and prayers.

A.B was a awesome man. I never heard him say a unkind word to me. He was the best looking of all his brothers and the sweetest. He was very kind to my daddy (Virgil) and grandma Strickland. He will be missed.
