“ AJ was one of the most respectful and respected young man that I have ever known. He was a joy to be around and absolutely loved his friends and family. He was my favorite hunting and fishing buddy and a true friend. He definitely set the bar of how a young man should be. I loved him like a son and often referred to him as my son-in-law. Words cannot express the impression that he made on my family's life. He will be GREATLY missed and will forever hold a special place in my heart. I love you AJ. Tim
