“ Beth, Jimmy, & Dax, words are inadequate to describe how much I loved your Mom and how much I love your family! What an influence she had on my life! When I think of people I admire she tops the list! Her faith and trust in our Lord blessed my life and I'm sure countless others! When I think of Ada I see her smile and her her sweet laugh! Thank you sweet Ada for the Blessing you were and are in my life! Will look forward to dwelling with you in the presence of our Lord & Saviour forever!

“ *There would be a book of the memories related to Ada. Lots of laughs, lots of disagreements — she always thought she was right and I always knew that I was. She was one strong person who shared her strength and her faith and occasionally overlooked the fact that we were diametrically opposite on so many subjects — she just ignored and probably privately prayed. SHE WILL BE MISSED.*
