My aunt was amazing person in the intire world. And you could tell her anything and she would understand what you are going through but now she is gone and now we can't do that anymore. She could sing and was very pretty she was a rolemodel to her 3 kids. She was amazing.

“ Judy,
Although I only know your through working for Scott Hammett, I can not imagine the pain your enduring right now. children are supposed to out live their parents and thier children out live them. Our Lord is with you always and will carry you thru this. He will never leave us nor forsake us. We are praying for you and your family. May his grace and mercy be added unto you for all the days of your life. She was taken too soon. I hope you will find peace in knowing that she is with our Lord and Saviour and his loving arms will hold her dearly to your heart.
Our heart is breaking over the loss your enduring, our deepest sympathies to you and your family.

Love In Christ

“ There are no words I can share that will be of comfort right now...for her family or friends ...I shared a many years of memories with Aimee and been through so much ...she was the optimist . Her smile was contagious and she would sing her heart out even in the car. We laughed, we loved and we fought. We were there for each other. At least we used to be . I send my deepest sympathy to her family....she was good hearted , loving friend...I will miss her with every fiber of my being . If there is anything at all I could for the kids or family , anything at all I am here.

“ Just heartbroken. I spent last Thursday night talking to Aimee at Meet the Teacher. She was her usual, happy self. She was full of questions about the upcoming school year and was one very proud mom. One thing is for sure...she loved her babies. Sending many prayers their way.
