“ Mrs Dean was such a sweet lady. I remember her and her husband always coming to shop at Dollar General when he was alive and then her by herself. She was such a nice, generous lady who loved her family. She was always commenting on her grandkids, she loved them you could tell. She made us goodies every year for Christmas and me especially some little tarts (cause no one else liked them). She will be missed tremendously but always in our thoughts and hearts. God Bless her family in this time of sorrow.
