“ I couldn't be happier that you got to meet Jesse. He adored you so much. He thinks the world of Cam, Camryn, and Carsen. It makes my heart smile that the kiddos think him as Uncle Jesse. Ladybug, I know you are watching us from above. We are here to help Cam with anything he may need. 💕🎀☐

“ Oh sweet girl...I have so many memories of you and Crystal. Me and your mother were inseperable when we lived in Henderson. We would pick you and Crystal up from Miss Shirley's daycare and to your mom's house we would go. You and Crystal played and me and your mom laughed. A simple time, when the worst things that happened was a scrapped knee...and then life happened. Me and Crystal moved to Beaumont and your mom married Bully. Along with Bully came Laurie and then Crystal had 2 little friends. For awhile ya'll lived in Jasper and we would visit on the weekends, then we would come visit the "dome" house in Henderson and ya'll would go upstairs and play for hours. I remember when you were in college and you kept changing your major...Pam said, "she better make up her mind what she wants to major in...I'm giving her 4 years and then she's on her own" You finally found your niche and were very successful in the field that you chose. Sweet sweet memories.

Then you went off on your adventure of life. You grew into such a beautiful woman with a smile that would light up a room. Then you met Cam and ya'll build a wonderful life together with 2 beautiful children.

I saw where someone posted that when you entered their home you were, "so tall, so tan, so Texas" and that they knew you would shake up their world and you did. And that you were. Camryn looks just like you when you were young...I watched your beautiful world unfold on facebook. I so enjoyed the pictures of you and Cam and the babies.

Then you got sick and oh how we all prayed...you were surrounded by family and friends that went to battle for you like I have never seen. You were strong like your mother, and even thru all you went thru, that smile never left your beautiful face.

But God chose another way to heal you, "our ways or not His ways, and our thoughts or not His thoughts" I personally don't understand, but like you I trust God in all His Glory, Power and Love. We will continue to lift Cam, Camryn and Carsen and your entire family up in prayer. Fly high sweet angel, you were loved beyond measure on this earth and we will miss you!!!

“ *We had it all growing up because we had each other. As we grew up and had our separate lives, it didn't matter what was going on, we picked up where we left off and nothing changed between us. I will miss you deeply and I love you to the moon and back forever and always!!!* 🎀💜☐
