“ *Amy was such a sweet soul. I was blessed to have worked with her for 12 years at Shipper's warehouse and what a blessing she was to me and everyone around her.*

*She was always so positive and I always looked forward to visiting with her and sharing pictures of our kiddos and sharing stories. Her family was her life and she treated everyone that she was around at work, the same way. She always had a way to make you feel special. She will truly be missed and love and prayers to her entire family.*

*I love and miss you, Amy.*

“ We have loved Amy since she was a teenager!! My husband married her and JD probably 20 years or so ago, and watched their family grow through the years. We lost track of them a few years ago, but have thought of them often and prayed for them. We are so grateful they have stayed in church all through the years, and will look forward to spending eternity with her, and someday with JD, too. Amy is precious to us, and, I'm sure, to many who knew her. She will be greatly missed!! We send our love and prayers to all the family!
