“ *Angela. We have loved you dearly since the day we met at an OTEA party back in 1976. I worked with Charlie and when he introduce his beautiful wife to us it was love from there on. We so enjoyed our annual trips to Vlrgina and visiting and dining with you and Charlie. When you told us that you wait for our visits to Virginia every year it made our visit ever so much more enjoyable. We always had so much fun and laughter at the restaurants where we dined. We will continue to visit Charlie on our annual visits to Virginia and dine at the resturants that you loved. We will miss you terribly and you must know that we will meet you in heaven so that we can dine at your favorite restaurant and again enoy all the laughter and of course the magic tricks that Tony loved to pull on you. We will keep you in our hearts forever. Angela..we love you and will never ever forget you. May God BLess You and Watch over You Forever.*

“ Dear Elizabeth -Angela was a delight to have known - we feel very fortunate she was a part of our life - with her warm smile and always open heart. She was a woman of grace and giving. And, as nutty about cats as we! She is one soul...one life...one very special spirit that will not be forgotten.We are sorry not to be with you all to honor Angela today. We wish you comfort in knowing the suffering for Angela is over and we wish you and your family peace in your hearts.George and Connie Karalekas

“ Dear Elizabeth, There is no better time to lean on family, friends and God than when you lose a close family member like your sister. Family is always there for you, friends rally around when needed, and God is forever watching over you to comfort and console you. Call on all of these as you find yourself in need and be assured they will answer you. I am one of many people who have known you since first grade and I consider you my friend since that time. God says, "Come unto me ye who are heavy laden and I will give you rest." May your family surround you with love. I pray this for you and your family.
