“ Ann has played a major role in my life. I considered her my best friend. She was my sounding block and my ever so wise mentor. I remember I would ask her something about the Bible and she could tell me EVERYTHING and the history of it. I always was astounded but everything she knew Biblically. One time I asked "Ann, how do you know all this stuff??" she kinda laughed and said "I don't know, I just have read and studied things". I could also count on her to tell me the truth, even if I didn't want to hear it. I loved her so much and will miss my friend. Freddie, Tammy, Tracey, and the rest of the family, you are in my thoughts and prayers.
