“ *So very sorry to hear of the passing of such a Sweet Lady who was always full of goodness and kindness. From childhood days of eating her Fried Chicken on Sunday Evenings with the Kinseys to our visits of not so long ago Annie Mae leaves a warm place in my heart and will be missed. The years roll back, before things were so busy...and people were community oriented... back to when Mr. Grady's Farmall Tractor raised corn that grew so green and tall and they both worked side by side to raise their children... and along the way gave of themselves to a neighbor boy like me.*

*Thank you for sharing your love and your Christian values with me.*
