“ *Decades ago Author and I built a friendship, more than just a friendship, a brother ship in God.
I was there when Author smile when the two of us organized a club, that was in Authors heart, he was so proud and you could see it in his face.
I doubt Author had ever met anyone that was not a friend, he set a great value in his friends that anyone that knew Author respected him for it. I'm very proud to have known Author and will always remember him.
Author had a rough life but not any more, a blessing answered.
I look forward to seeing him again some day. Keith Wills I pray for Mrs Clark.*

“ AD was a great man who loved to metal detect and attend and be early for every metal detecting meeting and event there was. I was proud to know him for over 6 years as we attended the Rusk County Treasure Hunters Club together with some occassional digs. He will be missed but he has found the real treasure. May God comfort his family and friends.
