“ *My sweet Aunt, my second mother. How I miss you. You were my "soft spot" and always knew what to say to make things better. When I'm feeling down, I think of driving to Henderson, and listening to the advice you were always free to give me. I will always love you and I'm sure you are rejoicing with God whom you loved so very much..your daughter from another mother..*

“ Ms Audrey was a precious woman of faith who taught me much on how to see the greatness of God. We prayed together many times and she shared many books with me to encourage my faith. One of those books “My Time in Heaven” helped me when my brother passed away a few months ago. I will miss her on this earth but know that she is experiencing Heaven, as it was described in the book, in reality now and for that I rejoice with and for her. My prayers for comfort and healing are with her family. Much love,
