“ You have the sweetest family and I can't imagine what you are going through! God has a perfect plan, even though we can't see the BIG picture. "And we know that God causes everything to work together for the good of those who love God and are called according to His purpose for them." (Romans 8:28) Austin was such a sweetheart--always smiling, always friendly, and truly loved others! He was one of those loving kids that still would hug his first grade teacher, even as a teenager!! Austin has a precious legacy that will continue to lead others toward the Lord.

I had back surgery just a week ago and won't be able to come to the visitation or funeral. Please know that I am lifting your family in prayer. "He heals the brokenhearted and binds up their wounds." (Psalm 147:3) You will find true peace beyond understanding in the midst of this storm (Philippians 4:7) and that only comes through Christ! I love your precious family!! Lisa Moore
