“ Sharon - Wesl was saddened to hear about Avery's death. He was in such good spirits the other day when I stopped by. I feel fortunate that we were able to spend those couple of hours talking about old times. I can truly say that if Big Ole Ave was your friend that you had a friend in deed. Sheila, Justin, Jennifer and I will miss him as I know you and the family will. Mother went to Heaven right behind him so I know there is someone watching out for her. God Bless all of you!!!

“ Avery was such a great friend to my family. He loved my parents and they dearly loved him. My Dad has lost many good friends, and I really hated to see him lose a friend in Avery. A game of 42 shall be played in Big A's memory every time we gather from now on. Avery will be greatly missed and most certainly never forgotten. I hope that every person in the world gets a chance to meet someone like Avery Partin in their lifetime so that they can be blessed the way we have all been just to know him.

“ To Avery's children, grandchildren, and family: Avery and I were classmates at Carlisle from Firstgrade until we graduated in 1960. Avery's family andmy family lived a short distance from each other inPrice since we were small children. Even though I wasn't around Avery except in class,we attended a small school so everyone knew whoeveryone else was. I remember Avery as someone who always seemed happy and willing to offer a smile. After Avery's beloved Beverly passed away, I calledhim to offer my condolences and we had a nice visitabout his children ,his parents, mychildren, my parentsand how time had passed so quickly since Graduationin 1960. We had a nice visit and Avery seemed veryappreciative of my call. Avery was very devoted to hiswife, children and grandchildren, and other family members. My sincerest condolences to you and your familyduring your time of sorrow. With deepest sympathy!

“ SharonYour dad will be missed by many who called him " My Friend" including me. I met you dad in 1985 and it was like we had known each other all our lives. He truly lived by the old saying" A stranger is a friend you haven't met yet". I can see Avery telling God, Don't play that domino, I am gonna set you if you do and letting out that big ole laugh. You are in our thoughts and prayers.Randy Cook

“ Sharon and Wes: You are all in my thoughts and prayers. Avery was one of the first persons I met when I moved to Henderson. He was such fun! I know he loved his family so much and that you will miss him. I always appreciated his stopping by Scott's store in Longview to check on him and visit. If the weather prevents my coming tonight or in the morning, know that I am thinking about the family and your loss.

“ You will be in our thoughts and prayers for many days to come. When i think of Avery, I always think of the story he always told me about Matt pouting because his brother got a bicylcle and he didn't. Avery ran to town and picked one up for that pouty little boy right then. Matt thought of Avery as his second dad, and anytime Matt called Avery he was there in a split second. I am so glad that Aubrey was able to meet such a good man. He will be certainly missed at our household. I know that he is two-steppin and playing 42 in heaven above and looking down on the people he loved the most. I am happy to say that my family has the best guardian angel looking down on us right now. What a great man he was, we were so lucky to have had him in our life. “ I lived right up the "oil road" from Avery and the Partin Garage in Carlisle so I basically grew up knowing him. I always thought he was a fun guy to be around and really liked him. I also knew Beverly when she was in high school. Someone had told me that Avery was sick a while back. I'm very sorry about your loss. I loved all of the Partin family!

“ Sharon, I am truly sorry for your loss. Your dad was a great man, and I am so glad that I had the pleasure to know him. You know Jimmy really looked up to him. It meant a lot to Jimmy and I when my granddad died in Nov., that your daddy took time to call to check on us and tell us how sorry he was.. He was always thinking of others. There was never a time that I talked to him that he didn't talk about you and your boys. He was so proud of yall.. Well, we love you and we will be keeping you, your boys and your family in our prayers..
