“ I met Mrs. Perry in 1976 at Northside Intermediate when my family moved to Henderson during the last two months of my fifth grade year. She wasn't one of my teachers, but she made it a point to visit with me in the hallway every day to make sure that I felt welcomed. Because of that simple act, I've always regarded her as one of my teachers, and I enjoyed visiting with her whenever I saw her over the years. She was a blessing to me.
