“ *Marvin and family, please know that we are sending you lots of love, hugs and prayers during this most difficult time. Barbara is so loved by so many people and she will be missed so very much. We loved laughing with her, singing with her in the choir and as she played the piano, going out for many suppers out, hearing her stories and so much more. We won't ever forget staying up really late one night when she thought her Farmville dog had run away! Dressing you guys up as the "California Raisins" and her throwing the boxes of raisins to the people. We pray you are comforted by knowing she is with Jesus and all her pain is now gone forever. Love all of you. Bill and Cindy*
