“ She always had a heart of gold, she would give you her last if she knew you needed it. She endured many trials in life, and never complained or asked anybody for anything. I am absolutely sure she was the strongest woman I knew. My life definitely will not be the same without her. She taught me so much, and even though she is not with us anymore, I still continue to learn from her each day. She is a big reason behind what made me who I am today. I am proud to say she was the best Mamaw a person could ever ask for. Till we meet again one beautiful day in heaven. I love you.
