“ *Barney was absolutely my favorite cousin, heck, we were more like brothers growing up actually. Most of the time, he was at my house or me at his. Two of a kind, partners in crime, two peas in pod, Bobbsey twins, comrades.*

We grew up close. But the absolute greatest thing between us was brothers in Christ. It hasn't always been that way but a little over a year ago, Barney gave his life to Christ. So now, he and I will carry on our relationship in Heaven. Of all the great times we had together, that makes me smile. You'll be missed my old running mate but will see you again.
