“ Lori , Cindy and Russell, I just wanted you all to know was such an honor to have your mother and your father as my clients for the time I had them. They always brought a smile to my face, whether it was your daddy offering to give me a quarter to turn down the radio or or sweet mom bringing me color sheets she had done and just her sweet spirit . They wet both wonderful people in my life I will never forget. Thank you for allowing me to take care of them at the end. With love , God bless, Linda Brooks

“God saw you getting tired and a cure was not to be. So He put His arms around you and whispered "come to me." With tearful eyes we watched you, and saw you pass away. Although we loved you dearly, we could not make you stay. A golden heart stopped beating, hardworking hands at rest. God broke our hearts to prove to us, He only takes the best".

*We are thinking of you and your family Lori, Bill and Sam.
