“ My condolences to Betty's family she was truly one of the kind hearted Christian woman I have had the pleasure to meet and always willing to help anyone in need. I will always remember those VBS and the Junior Choir days at church. I also remember the time when we attended the Food Director's seminars at Region 7 and being new to the position she came to me and said if I ever need help with paper work or anything just give her a call anytime even at her house. Betty you were a true one of a kind gem and heaven most definitely gained another angel you are among the very best now. May God Bless You and your family.

“ Betty was a wonderful example for the wife, mother, grandmother, co-worker we all admire. She ALWAYS had a smile on her face. Roger, the love of her life was a blessing to all who met him and together they were unstoppable. She will be missed.

“ It was truly a blessing and a privilege to know Miss Betty. I've only known her for 5 years, but she has certainly made an impact on my life. I remember my first time meeting her. I had not been on the job long here at West Rusk, and I didn't know who she was and that she had worked out here. She was in the cafeteria, and I asked her to get a visitor's pass! HA! Once, I found out that she was West Rusk family, I apologized all over the place. She was fine and we laughed and laughed. We were very friendly every since. I NEVER asked her to get a visitor's pass again, but every time she was on campus, she would always get one. Miss Betty and I talked a lot. I never heard her say a negative thing about anything or anybody. She was all about uplifting people and showing the love of Jesus. She truly impacted my life. She will be missed. Continued prayers for the family.

“ Leave the world a better place than she found it....that she did. I wish I knew the number of children who heard her Bible stories, and just wanted to be by Sister Betty. The best children's choir leader ever, but I just maybe partial. Faithful servant and so humble, never seeking for herself. She could love anyone it seemed and left the unlovable stuff to Jesus. Just thinking of her makes so many little church songs go through my mind. She made such an impression on my life and so many others.....her "Well Done" was a loud one and a well deserved one. I pray for the family as they feel the loss of such a dear wife, mom, grandma, and a great grandma. May the Comforter be ever present and you lean on each other in the days and weeks ahead holding to the promise she did. Share her memories and her love for her Savior with her great grand babies as well.

“ One of the very best Sunday school teachers ever! I loved her stories and talking to her. Unlike so many other conversations today, I’ve never heard her say a cross word to anyone nor have I ever heard her be anything but positive. Mrs. Betty, you will be sorely missed but I know you are with Jesus now. Love you!

“ It is with great sadness that we learned of Betty’s death, but we are comforted to know that her suffering has ended and that her entrance into the Lord’s presence is with great rejoicing. She loved the Lord and was a faithful Christian. She will be missed by who who knew her.
