“ *We did not learn of Betty's passing until today, after her funeral and visitation had already occurred. I was shocked and saddened to learn this. Olin had been a friend to J T. for many years, so we engaged him to remodel a house for us to live in.. Betty was the first to welcome me to Henderson and her friendly smile put me at ease. I loved her sense of humor and the fact that I was a month older than she was. I kept up with her on Facebook and had been missing her posts for the past weeks. I am so sorry to learn of her passing, but am confident I will see her again in heaven!*

“ Betty was my oldest and best friend we started school at Carlisle in 1st grade [they didn't have kindergarten the year before] we at once became best friends.i remember when her baby brother was born ,she was so excited and wanted all her classmates see him.she had her mother bring him to the school playground in her car so we all could see him.We went parted schools in 3rd grade, she to Henderson,I to Gaston.In feb. I lost my father suddenly to a drunk driver,Her family were there for my mother, sister and I.Betty was so generous she shared her grandparents with me, Mother and Daddy Luce. Mother Luce was a great cook and baker. She made the best cakes I love them all, but my favorite was her lemon chiffon ,she made it for my birthday every year,I liked it so much my mother got the recipe so she could make it for me.Many years later Betty e-mailed me and asked if I had the recipe,I was so happy to give to her. she was more than my best friend she was family.I stayed with Betty and Olin when I came to our 10th high school reunion, on her stove was a pot of purple hull peas from her mother for me. She knew I couldn't get them in calif. I have many such memories.Betty was bigger than life and so full of love for everyone .She was as everyone has said a very sweet person. “ My sweet Betty, as she was known to all of us at Weight Watchers. Many, many moons ago, when it was held at the First Presbyterian Church. Mr. Olin was the contractor that made my Mother's Handicap Bathroom a dream come true. My Aunt Frankie Hunt and Louise Wylie both knew them as well. I know Sweet Betty is now made whole again and with Mr. Olin.
My prayers to her family.

“ We are so very sorry for the loss of sweet Betty. I have such fond memories of the Luce family. We all grew up on Webb Street. My Mother and I also enjoyed getting to see and visit with Betty again several years ago at Autumn Leaves in Henderson. She was such a sweet and funny person who loved her family so much. Sending prayers to the entire family. Love, Debbie & David Stafford, Norma Stanley, and Phil Stanley.

“ We have wonderful memories of Betty and Olin: we met weekly to share an evening "gathering" at one of the sandwich shops in Henderson. We also had Amish friends in common after Betty bought a quilt from one of the ladies in PA. Both of us had house guests for one night when they brought their grown children with them to Texas. (Betty was surprised!)

What a wonderful sweet friend that will be missed so much. Our prayers are with her wonderful family. God bless you.

BI

I graduated with BJL(1961) where we had fun from the first day she started at the Henderson school system.

BJ still has the distinction of being the only person (girl or boy), to volunteer to jump from one of the cliffs located at the Henderson Clay Pits into the water below. Even our friend Dennis Gayle Duncan would not try it. BJ walked right up and jumped with no prompting.(1956-57-58)

BJ approached life with this attitude of not letting anything stand between her and her LORD and his work.
