“ I was thinking of Mrs Betty today, as I remembered her coming to sit with me in the waiting room, when my son, Logan, was having surgery. He was 10, at the time, and we didn't know what the outcome of the surgery would be. But, I remembered, today, how calming it was to have her there. Our sweet Logan made it through that surgery just fine, and enjoyed life to the fullest for thirteen more years. He was killed in July 2018 by a driver under the influence. We miss him so much. So, today, I was determined to reach out to Mrs Betty to thank her for her kindness. I am saddened to find her obituary. May I add that Mrs Betty was such an inspiration to me, and others. She taught me how to be a great wife, as was she. My love and condolences to her family.

“ In 1947 Betty Jean and I became friends. We shared so many childhood times together at her house or mine. The last time we got together for a great visit was in 2002 in Hillsboro, TX at the Outlet Mall. I loved her and she will be missed by many. She was a super person and friend. Dalton, you picked a jewel for your wife. God bless.

“ Dalton, you and Betty have been a huge influence on my life. Your way of loving everyone you met, caring for your Sunday School members as if they were family, and never forgetting to pray for the needs of others. Betty will be missed here, but she has achieved her goal. A Good and Faithful Servant has entered into her rest. Prayers for you as you continue here on earth. Rejoicing in the fact that she now sees Jesus face to face.

“ Such a dear sweet lady, beautiful inside & out. When I think of growing up in FBC, Dalton & Betty are two people that stand out most in my mind. Their love for each other was ever present, but most importantly you knew by their witness that God was first in their home. Her beautiful smile & sweet spirit will be missed by so many. Praying for Dalton & the extended family!!

“ Betty & Dalton - Richard & Zelda.....when you mentioned one of them - you mentioned all of them! Godly...Christlike is a perfect descriptive word for them. Oh, how we loved and adored our Betty! “ *Starting in 1959 there has been no finer lady come into my life than Betty Jean. I shared many seasonal events, including birthdays, with her and Dalton as a family. Through all these years she has remained a true friend one I knew I could turn to if needed. I'm sure others can say the same thing. This was a special lady to be missed by all who knew her. My thoughts are with Dalton at this time.*
