“ She was a fine Christian lady and I loved her for always being there and making everyone feel at home. I never heard her say an unkind word about anyone. She always thought of others before herself and spent her life caring for her family. Love to you all, Freddy

“ *Some of my best childhood memories occurred while lifeguarding at the Henderson Country Club while Betty worked there. To this day, I still can't duplicate the wonderful flavor from her oatmeal cake she would make. She was also such a modest and quiet woman, which I respected. Swan family, please keep to heart all the lives Betty touched and memories of her that will live forever.*
