“ I just now seen where Beverly passed. You girls knew how much your momma meant to me. She was an angel here on earth and is now an angel in heaven. I know she is delighted to be back in your daddy's presence, nit to mention the Lord's. She was a women of God. She brought me out of despair many times with her prayers and talks with me about God. She will be greatly missed, please accept my deepest condolences. I loved your momma dearly. We talked in kroger and carried our conversation out to the parking lot always ending with I love you. Praying for peace and comfort for you girls and grandbabies. I love you all ❤️
