“ Billy and I have been friends since 1957, he was one of our Panama Park crew including David Halstead, Don Pellegrini, Jeff Owen's and Lee Carroll . There were many more in our circle but us 5 were the core of this tight knit group of friends. Billy was a great friend, fellow student, co-worker and surfing brother. Bill was like my brother rather than friend, I love ya man, RIP my brother.

“ My dad loved to share his favorite music with me. I am pretty sure I memorized the entire Beatles White Album before I was 5. (Rocky Raccoon was our favorite) My dad loved to take me to Strickland's on Kingsley Lake, we would jump off platforms all day even though I was ridiculously scared of heights. My dad blessed me with the best gift when he made the trip down to Florida two years ago to see me and meet his grandson for the first time.

"MAY THE ROAD RISE UP TO MEET YOU. MAY THE WIND BE ALWAYS AT YOUR BACK. MAY THE SUN SHINE UPON YOUR FACE; THE RAINS FALL SOFT UPON YOUR FIELDS AND UNTIL WE MEET AGAIN, MAY GOD HOLD YOU IN THE PALM OF HIS HAND."

My heart will forever be yours,

Love you, Jess
