“ *Despite Nacogdoches Memorial Hospital prematurely ending your life, I know you were ready. Reciting Psalm 23 over and over for 8 or 10 hours, until your death, let us know you were ready to see Jesus. You love Him even more than your own children. With the love you had for us, it comforts us to know, without a doubt you love our lord and savior. That is what has given us peace throughout this entire ordeal. Your body was tired and sick and your heart was ready finally ready to go to Heaven. Out of selfishness, we hurt because we miss you dearly. We know you are celebrating eternity now. We will be together again. Our pain will continue until we are together again. I love you, dad and I miss you more than anyone can imagine.*
