“ *Butch had a magic to his personality that drew everyone to him. Coupled with that devilish handsomeness and genuine spunky, kind personality, it was hard not to love him. It was extra special when Butch visited the Funk family. My Mom and Dad and the cousins all adored him. I remember him calling me when he met Terry. He said she was the one. Obviously, that was the case. I can't imagine what you are going through. We have only wonderful memories of Butch. If there is anything I can do for the family, please let me know. Hugs to you and the kids. Deanna*
