“ Reading this morning about Ms. Billie's passing has saddened me. I have a lot of fond memories of her during my summer travels with my dad. She always had a smile and her laugh was so contagious. My thoughts and prayers are with you all.

“ I am so sincerely sorry to hear about Miss Billie's passing. That lady had some moxy....what a good, good woman. I always enjoyed visiting with her over the years and she would call me every once in a while and we would just chat. She knew just how to put people at ease and ALWAYS had a bright sparkle in her eyes especially when talking about her grandchildren. I know you will miss her so very much but know that as long as anyone who loved her remembers her and remembers the life lessons that she taught you....she will be in your heart and she will always be standing right behind you watching over you. I am so sorry for your loss. . . what a lady to have had in your family for so many years.....she was special.

“ We're so sorry we don't get the paper except for "online", and it seems it's always a day or two late posting what's happening in and around Henderson. To the Family of Billie.. we hope you know that we would have been there for Billie's services if we had only known in time! Billy was very special to us.. she had been a friend and fan of our music for a very long time! She always fussed at us because we didn't do "Seven Spanish Angels" which was her favorite song.. We did manage to do the song for her at one of our last performances at Autumn Leaves. We also checked in on her just a week before her passing. We will hold her and Harold in our hearts and minds for as long as we continue to live. She was definitely One of A Kind!

“ Ms. Billie will be missed so much. I loved that woman: her spunk, her sense of humor and her honesty in her approach to life. She was always the bright spot in my days and we had such wonderful conversations. I learned a lot from her. To all of her family: my thoughts and prayers are with you. I pray that God will put His arms around you, hold you tightly, and give you strength. Love you all, Nelda
