I was fortunate and blessed to teach at Richey Elementary School during the year Mr. Sitton was principal there. I saw him only once after that year when he visited at Richey one day a couple of years later. All of this to say that he made an impact on my professional life. He was a Christian man who didn't advertise his religion but simply walked the talk. I realized this when I worked with another that wasn't as recognizable as a Christian except by a church name on the rear window of his car. He was a quiet caring leader. I appreciated him so much. After post graduate work, I went on to be a counselor at the elementary level. Though just "drops" in his life, the ripples must be endless.

“ I believe Mr. Sitton was my school Principal @ JD Parks Elementary School in the early 60's. He's the only principle I remember, and Mr. Sitton has crossed my mind over time. I remember Mr. Sitton fondly and remain amazed at how kindness lives on.

“ I knew Mr. Sitton as my camp director at Camp Huawni. He was school principal for my Mother Ada Cowart. Later he was my wife Jeanne's first principal to teach under at Northside School. She always had nice things to say about him. From my association with Mr. Sitton, he was always kind, courteous, and a fair gentleman to deal with. My condolences to his family with their loss.
