“ My family went to church with Don & Nora when I was a little girl. I would always want to sit with Don, & he would tease me about behaving. Ultimately, I would fall asleep on his shoulder feeling safe & loved. Later, I worked with Nora & was fortunate to see Don from time to time. My deepest condolences Nora.

“ Don & Nora were my parents close friends when I was growing up. They quickly became my favorite friends and I loved them both dearly. Every time they came to our house, Don would bring me a Hershey bar in his shirt pocket. We became fast friends and I looked forward to every visit. Thank you for giving a little girl such good memories. 🌸

“ *Uncle Don. I miss you already. I sat in your yard tonight watching the sun set over your pond. I am so grateful to God that you are no longer confused and sad. And I wish I could have seen the reunion of you and LilBit and JT and Flicka and Pluto, etc, etc. And all the creatures you cared for. And I know God was patient as He waited His turn to shake your hand and say Well done Billy Don, well done. I love you. Thank you for loving me back. Shereen*
