“ Thinking of you and your sweet family Kelly. I still remember your family visiting our family while we lived in Corpus Christi when I was about 8 years old and how gregarious and fun your dad always was when coming into a room. I was so impressed how all of those cousins kept up with each other. Also, I am so glad you took me out several years ago to see their home that he and your mom built together. Wonderful, warm, and inviting home. Great tribute.
