“ *Miss Bobbie what a dear friend she was to my Mother Beyrl Fabregas and she became dear to me when my Mother was ill and after her passing. She always had the right words to comfort me and lift my spirits. I will miss her and our conversations. Mr. Jake what a dear friend you were to my parents and always lovely to myself. You and your family are in many heartfelt thoughts at this difficult time. I wish you healing that touches both body and spirit, peace in those moments you need it most and strength to sustain you day by day. With Deepest Sympathy, Peggy Fabregas Perkins*
