“ *She was an amazing grandma, and someone who always did her best to spend time with me and taught me how to bake. She had the best bedtime stories, and loved cheering me on in my dreams. She listened to me sing, even if it was off tune and pitch, but she made me feel very loved. I miss you so much, and hope you are happy with papaw and dad in heaven. Been thinking about you lately, love you* ❤️❤️❤️

“ *Many years ago I saw Bobbie almost daily, as she took care of her Mother and sister, she was always cheerful and just a pleasure to deal with. I remember her coming into the pharmacy with Matt, straight from karate class, both in their white uniforms...they had so much fun!*

*She was a delightful lady and she will be greatly missed. My condolences to her family.*
