“ *Belinda, Jessica, and Cathy, I am so thankful to have had the opportunity to be a small part of both your Momma and Daddy's lives. They were such special people and I loved them both so much. They were always such a delight and high point of my day when I got to visit with them. I miss them both and know that one day when the Lord calls me home, I will see them again...and oh the talking and laughter we will catch up on! I love each of you, and thank you for your friendship. My prayers are with you and your families. God is good, all the time.*
