“ *Ms. Bonnie was such a special lady. We had just moved to Mt. Enterprise and knew no one and needed childcare for our children. God placed this very special woman in our lives. She had Nikki at the young age of 6 weeks and Jeremy was just 2. She loved all the children at daycare and taught them so much. She never seemed to age. Rest in peace.*

“ *As we all go through there are people we know and people we know of, Miss Bonnie was one of those kind, gentle people that nearly everyone knew. There are hundreds of people who's lives she had touch with her loving thoughts and actions. Children who she helped to mold into outstanding adults. The world needs many more Miss Bonnies in it.*

“ *Bonnie served as the secretary for the Old Shiloh Cemetery Committee for many years. She did an excellent job keeping the books, and helping families in selecting grave plots. Everyone knew Bonnie and she knew everyone.*

The committee greatly appreciated Bonnie and hated to see her retire as secretary, although she continued to help us in a bind, and always supported Old Shiloh Cemetery.

Bonnie truly had a servant's heart and was an inspiring role model for all that knew her.

“ Miss Bonnie was the best. She took care of so many people. Paw paws parent's her parents, Jimmy, raised her grandchildren, helped with her great grandchildren, most the kids in Mount Enterprise including me. She was my babysitter long before she started keeping kids. After we moved back to the Mount in the summer we played with Jimmy a lot. She would come home for lunch from working at Phillips Grocery and make us all something to eat. It was my job to have supper started when mother came home from work sometimes Miss Bonnie would pressure cook something for me so I could play longer. What a woman. You rest Miss Bonnie. You deserve it.
