“ Bronc, what can you say? He was always fun to be around and you never seen him in a bad mood, his positive outlook was contagious to all around him. To his family, no words will replace what you have lost but remember he is still with you in your hearts and memories and you will be with him again and as time goes by it will be easier to face the day without him until that time arrives.

“ Shelly & family,
What an impression Bronc made on our family; always smiling and wanting to help someone. He will be missed by so many, including my grandchildren, who adored him.
Bronc had a big heart and his cheerfulness will help make Heaven a more wonderful place.
God bless you.

“ A huge kid at heart!!!! Loved his family to the moon and back!!! He has such a soft comforting voice and will be missed tremendously :(My greatest memory was when he, Isaac and Hannah came to my sons birthday party at Air U. Amongst all the children romping around, there was Bronc right in the middle of all of them. Nothing ever stopped him from sharing the fun and excitement with his family. He truly was a man of God. xoxoxoxo A special thanks to you Bronc and Shelley for making my son Grant your own. You welcome all children into your home with open arms <3

“ Bronc was a very special type of person. Always willing to lend a helping hand. I've known Bronc for years and he has been a honorary uncle to Ayden, Bell, Madalyn and numerous other kids. He helped with homework checked for booger bears and was always willing to go the extra mile for his friends. We know he is in heaven and has already seen jr and we. know we have not 1 but 2 very special angels watching over us. So My dear Bronc this is not a goodbye but a simple see ya later we will meet again my friend
