“ Bear was such a sweet heart and a joy to talk to. Until 2 months ago I was his mail lady it broke my heart to hear of his passing. He became such a good friend and enjoyed seeing him every day. He was so kind and caring and would do anything for anyone. He loved collecting coins and loved showing me all his new goodies and teaching me all about them. Poor Panda (his sweet fur baby) is going to be lost without her daddy. He was such a wonderful person and will be SO missed!

“ Bear was a very kind man. He always gave peppermints to my granddaughter when we'd see him in the store. He will definitely be missed. Praying for the family during their time of grief.
