“ You probably do not know me but my family knew Mr. Hanson. We came to know him when my mother was at Carthage Healthcare several years ago. My little girl who at the time was 4 yrs old liked to sit with Mr. Hanson in the Dining Room. She would bring her books, blocks, puzzles or whatever she may have that day (we were there most of the time daily from Houston) and sit on the stool in front of the sofa where Mr. Hanson would sit and then after a while would be sitting beside him and they would not say many words just sit and smile and look at whatever she may have had. When he was done he would go on back to his room. Just wanted to say thank you for sharing your father, family member with us. We enjoyed just sitting with him and I just wanted to tell you that we will pray for you and your entire family during this time.
